*During his daughter's rehearsal dinner,
old-fashioned Morty makes a last push
at setting her up with an alternative prospect.*

About the film

A fun play on wedding rehearsals gone wrong, the conservative father of the bride-to-be is unable to accept his daughter's choice for a husband - letting it spill out at the most untimely moment.

Desperate to "save" Becky's future, Morty's antics bring a handsome stranger into the picture as the night's events take a turn for the unexpected, and inheritances questioned.

it's a
"happy" day!
